

## Assignment

Code:

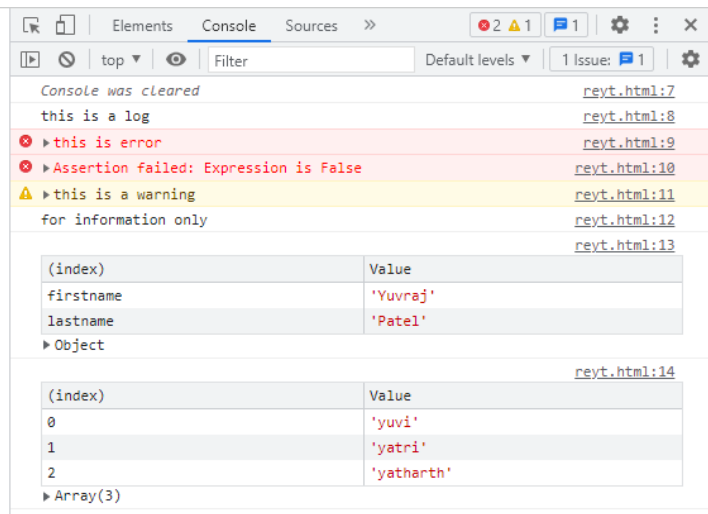

```
<html>
<body>
  <h1> console objects</h1>

<script>

  console.clear();
  console.log("this is a log");
  console.error("this is error");
  console.assert(5>10,"Expression is False");
  console.warn("this is a warning");
  console.info("for information only");
  console.table({firstname:"Yuvraj", lastname:"Patel"});
  console.table(["yuvi","yatri","yatharth"]);

</script>
</body>
</html>
```

Output:

**console objects**

```
<html>
<body>
  <h1> console objects</h1>
  <script>
    console.time("ForLoop Ex
for(let i=0;i<100000;i++)
{
}
console.timeEnd("ForLoop Executi
</script>
</body>
</html>
```

**console objects**
